ASB President Quarterly Evaluation of Peers

The following evaluation is done by the ASB President every quarter to give a different perspective on your effort and attitude in the Leadership class. The grades given are determined by the ASB President's judgment. Points are taken away due to lack of discipline, disrespect, and inefficiency to do one's job. Every circumstance is taken individually, and the number of points that will be subtracted off the original 50 points will be determined by the severity of one's actions.

This evaluation will include personal notes and comments and specific dates or description of why points were subtracted or added. Your scores in the evaluations are confidential and are only being discussed by the ASB President and the Activities Director. It is your choice to discuss your grade with your classmates. *If there are any questions or concerns to why points were subtracted, direct your questions to the ASB President.*
